Dear Parents,

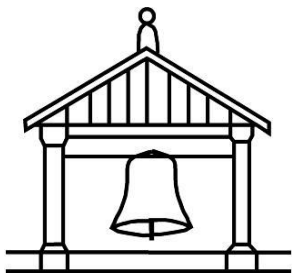

£9 574!

What can I say? A truly staggering total that will be split between the school and the playing field. I am utterly lost for words. Thank you.

Keeping the faith

On Thursday we had a lady from the diocese come in to help us with our distinctiveness as a church school. I think she was very impressed but how could she not be? She sat in on assembly, looked at RE books and talked to children about our vision and values; the children were, as ever, brilliant and showed how truly thoughtful and reflective they can be.

Oh I do like to be beside the seaside!

Did anything else important happen Monday to Wednesday? Ms Johnstone, the year 6s and I were off having far too much fun at PGL in Osmington to notice! Great weather, great activities, great children and a real live badger in the bin outside our room. I kid you not.
