

22nd September 2016

Dear Parents/Carers

Dolphins Class Homework Project

This term our topic will be history based and we will be learning about **Transport**. To support and consolidate the children's learning, we would like them to complete a homework project. The project consists of a range of both practical and written activities that they can complete throughout the term.

On the back of this letter is a list of activities from which the children can choose. Their completed tasks should total to a minimum of 30 points. If your child would like to complete a different theme related activity, they are welcome to bring it into school and we will negotiate a points value for it! On Tuesday 29th November, we would like the children to bring in their completed projects to share with their class.

We would also love to show any projects that have been completed in time for our open afternoon on Tuesday 18th October.

If you have any questions please do not hesitate to contact us.

Mrs Janet Coates

Mrs Josie Uden

Dolphins Class Teachers

Dolphins Class Homework Project - Autumn 2016

Wheeling Back in Time

5 points	10 points	15 points
Learn to say car, bicycle, train and boat in a different language.	Talk to someone in your family who is older than you (e.g. parents, aunty, uncle, grandparents) Find out about how they travelled to different places when they were a child.	Build a sailing boat that floats. Write a list of what you used.
Write 5 facts about bicycles.	Design a map.	Make a race track board game.
Look at road signs. Design a new one of your own.	Make 3 paper aeroplanes. Test how well they fly.	Use healthy food to make a vehicle shaped snack.
Make a car using objects you find outside. Take a photo of it.	Take photos of different types of transport that interest you. Bring them in to show the class and talk about them.	Explain how to wash a rocket.
Sort different types of transport into land, sea or air.	Make a fact file about a famous aeroplane.	Write a diary "A day in the life of a bus driver".
